

Pirates of the Caribbean - Examples

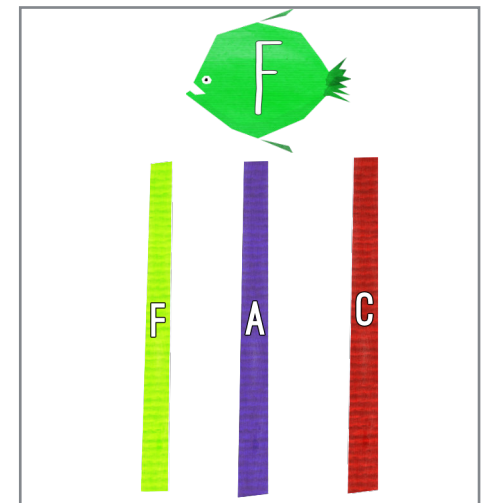

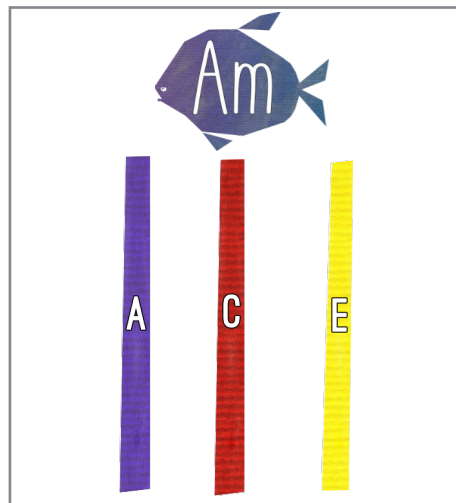

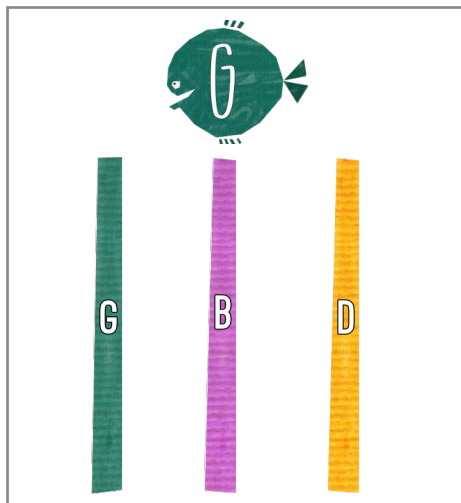

Example 2 and 3 - Chords

What you need:

- boomwhackers: A, B, C, D, E, F, G, G#
- one copy of every fish
- some kids/pirates

What to do:

- Split the kids in 6 groups, every group gets a print/copy of a fish
- Every group gets the different boomwhackers belonging to their chord/fish like this:

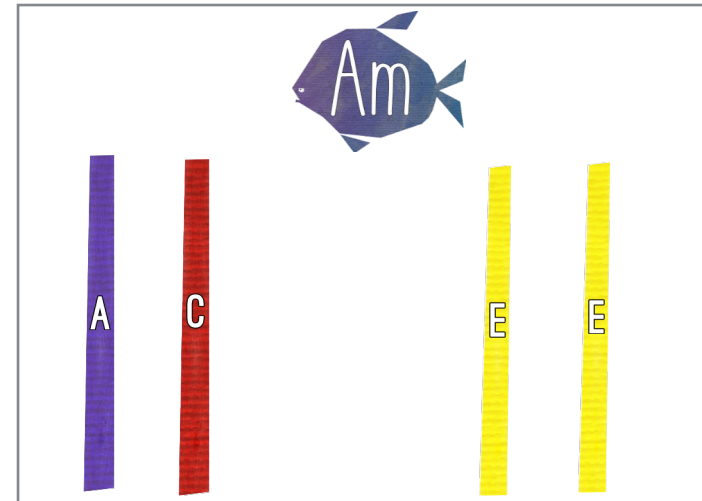

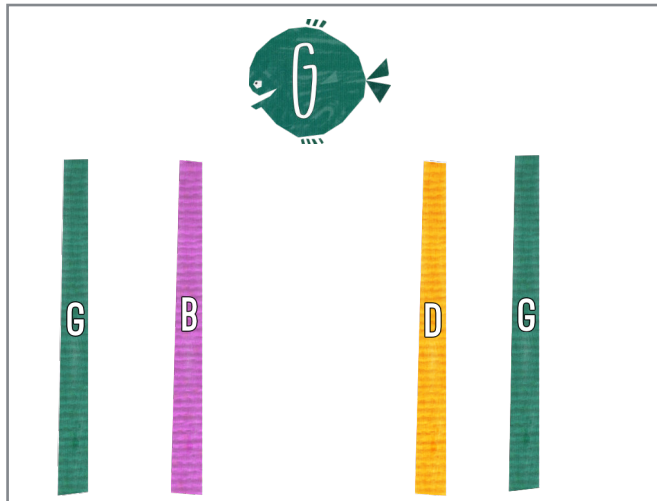

How to play:

- A.** Start the playalong video. Every group plays their boomwhackers when the skull hits their fish

Example 4 - Four Pirates Chords

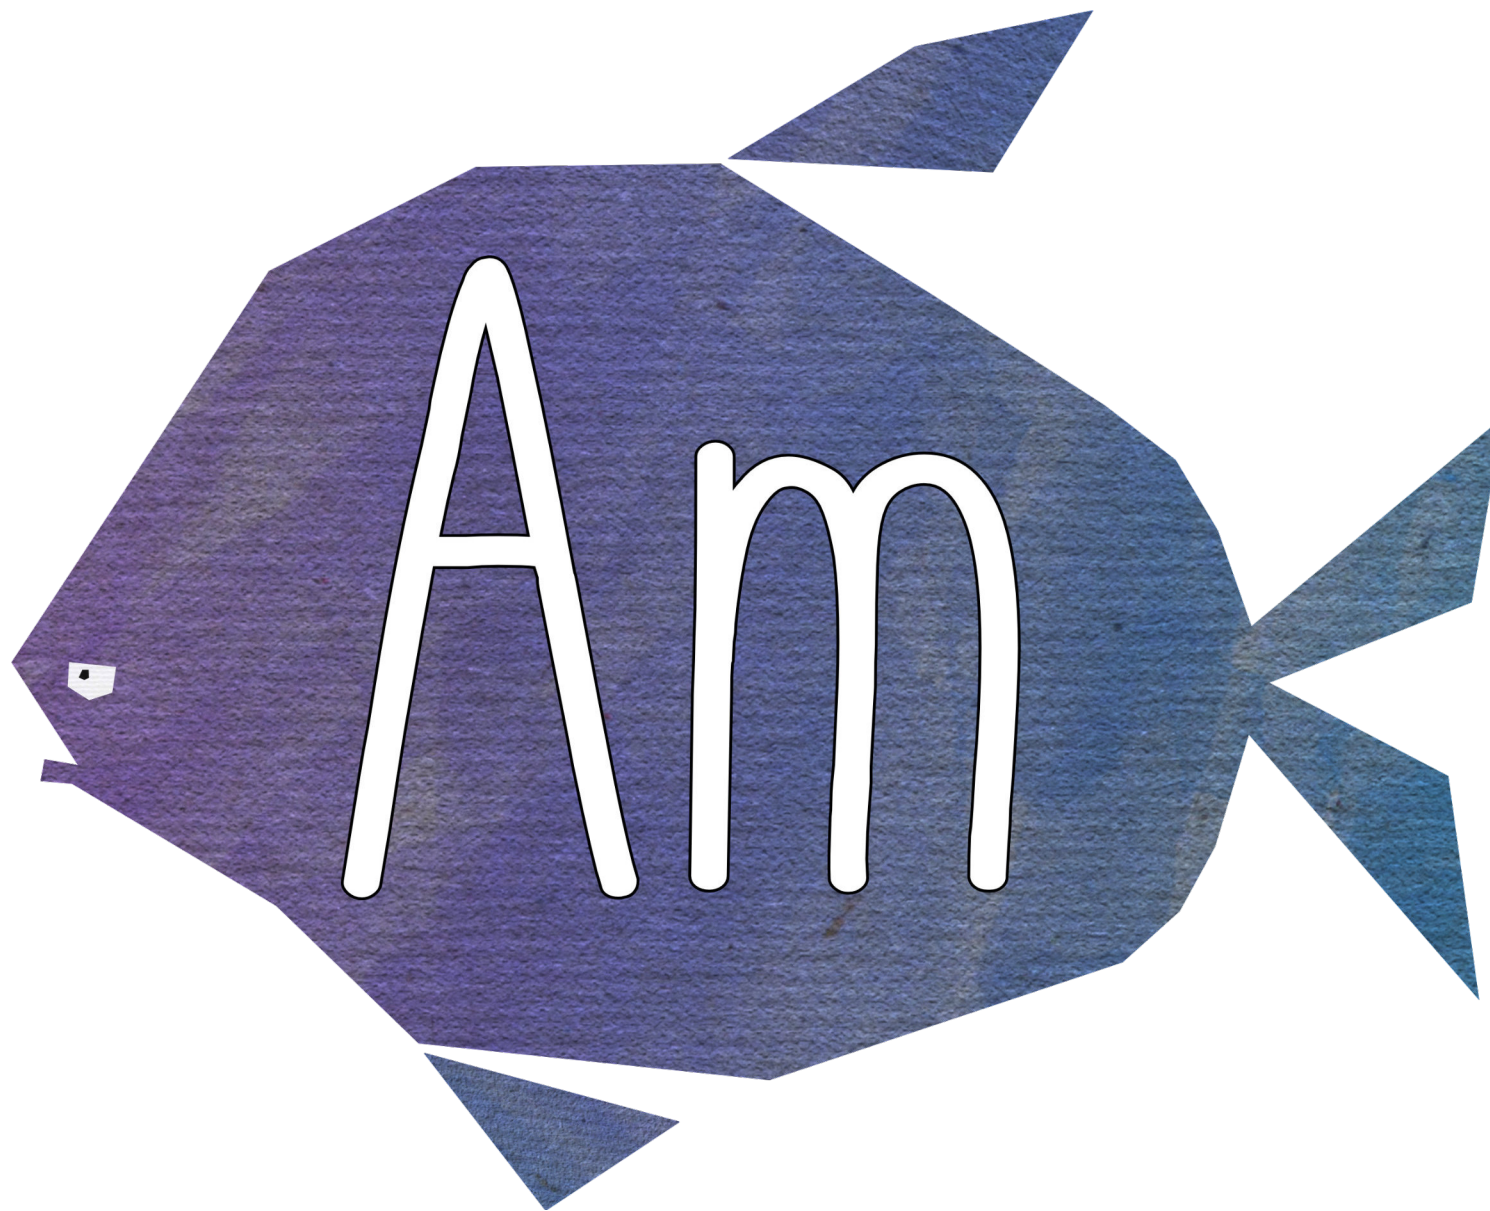

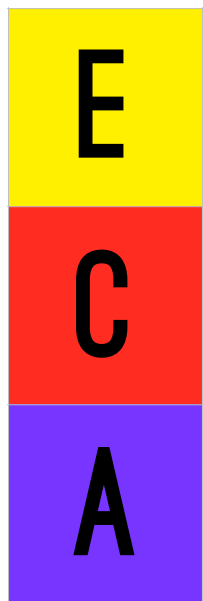

Try to split the kids in groups with 4 kids. Let them hit their boomwhackers like swords/sabers together like „fighting“ pirates when the skull hits their fish. Therefore you could use two times the root or another note within the chord, for example:
