

This diagram illustrates the internal structure of a book binding, showing the spine, covers, and internal components. The diagram is labeled with Dutch and English terms:

- Vouw** (Fold): Located at the top of the spine.
- Knip** (Cut): Located at the top and bottom of the spine.
- Glue**: Located at the top of the spine.
- lijm** (glue): Located on the covers and spine.
- Knip p**: Located on the left and right sides of the spine.
- Lijmhoofd hier** (Glue head here): Located at the bottom of the spine.
- 30-9/395**: A small number located near the bottom right of the spine.

The diagram shows the internal structure of the book, including the spine, covers, and internal components like glue, stitching, and reinforcement layers. The colors used are orange, yellow, black, and red.
