

Team: 3 Elize 🍷, Emie 🍷 and Karlijn 🍷

We are a jury and we are going to give people a review.

We are strict with reviewing people.

We go give people stars for their skills and not because we like them or not.

We are going to look if it has got a good taste.

We are going to look if it has got a creative and nice outlook.

We find this important:

Does it have any toppings?

Does it have a good structure?

Is it made with good teamwork?

What does good teamwork mean?

- That they listen to each other.
- That they've made something that everybody loves.
- That people made it together.
- That everyone does just as much.
- That people have fun with making it.
- That people have fun with **BAKING** it.
- That it's decently finished.

Inside:

- What does the inside look like?
- Does it look pretty?
- Is there something inside of it?

Level:

- What's the level?
- Is it easy to make?
- Is it hard to make?
- Is it made good?

Teamwork:

- Is the recipe made with good teamwork?
