

3.1 present continuous

present continuous: tegenwoordige tijdsvorm van **to be** (am / is / are) + **werkwoord + -ing**

Je gebruikt de **present continuous** om aan te geven dat iets **nu bezig is**, of **aan de gang is** of als je iets **van plan** bent.

bevestigend:

I'm **looking** for a present.
You're **looking** for a present.
He's **looking** for a present.
We're **looking** for a present.

vragend:

Am I **looking** for a present?
Are you **looking** for a present?
Is he **looking** for a present?
Are we **looking** for a present?

ontkennend:

I'm **not looking** for a present.
You're **not looking** for a present.
He's **not looking** for a present.
We're **not looking** for a present.

3.2 past simple

Je gebruikt de **past simple** (verleden tijd) als iets in het verleden gebeurd is.

bevestigend:

I **wanted** a normal family.
You **wanted** a normal family.
He **wanted** a normal family.
We **wanted** a normal family.

vragend:

Did I **want** a normal family?
Did you **want** a normal family?
Did he **want** a normal family?
Did we **want** a normal family?

ontkennend:

I **didn't want** a normal family.
You **didn't want** a normal family.
He **didn't want** a normal family.
We **didn't want** a normal family.
