T-SHIRTS FOR FOOD LOVERS

- 1 **If you love food and T-shirts, you're going to love my website, www.foodshirts.co.uk. Maybe you know that I'm a big fan of fast food. When I'm having a burger I try to get the tastiest one I can find. It doesn't matter if it's a cheeseburger or a hamburger. If a hamburger is three pounds and it's tasty I'll buy it. Even if the cheeseburger is the cheapest of the two.**
- 2 I'm a great fan of funny T-shirts, too. This can be a T-shirt with a picture, a short text or both. For me it must be about food. T-shirts with a picture or a text about burgers are my favourites!
- 3 On my website you can see a list of T-shirts. Click on the picture of the T-shirt you like and you automatically go to the web shop where you can buy it. Some of these web shops sell cheap shirts but others sell really

expensive ones. Sometimes you find the same T-shirt on two different sites. Ask yourself 'Which one is cheaper?' Then buy your T-shirt from the web shop with the lowest price.

4 There are two hundred great T-shirts from all over the world on my food T-shirt list. Hopefully you'll find something in this list you like. If you know of a T-shirt that's not on my list, please send me an email with a picture and the website where you can buy it.

Some funny T-shirt texts

- Make cupcakes not war.
- Don't eat nuts. You are what you eat.
- I put ketchup on my ketchup.
- I'm only here for the free food.

5 At the moment I am looking for T-shirts with funny pictures of potatoes. Until now I have only found two of them: 'Couch potato' (a potato on a couch) and 'Potato head' (a man with a potato for a head). I would be really grateful if someone could find a few more for me.

6 If you fill in your email address on the website, you will get a message when there are new T-shirts on the site. Please tell your friends about my website if you like it.
