

# PAST

# PRESENT

# Future

PAST SIMPLE	PRESENT PERFECT
Weet wel wanneer	Weet niet wanneer
I            WW + ed You        WW + ed She/ He/ It   WW + ed We / They   WW + ed	I            have + WW + ed You        have + WW + ed She/ He/ It   has + WW + ed We / They   have + WW + ed
I            worked You        worked She/ He/ It   worked We / They   worked	I            have worked You        have worked She/ He/ It   has worked We / They   have worked
Yesterday In 1983 Last week Three days ago A minute ago When I was young	For            Yet Never        Ever Just            Already Since        Once Recently    Before
Ik werkte	Ik heb gewerkt

PRESENT SIMPLE	PRESENT CONTINUOUS
Feiten	Nu op dit moment
I            WW You        WW + S She/ He/ It   WW We / They   WW	I            am + WW + ing You        are + WW + ing She/ He/ It   is + WW + ing We / They   are + WW + ing
I            work You        work She/ He/ It   works We / They   work	I            am working You        are working She/ He/ It   is working We / They   are working
Never Always Often Sometimes Usually Every week Frequently	Now Right now Just now At the moment Currently Look!
Ik werk	Ik ben aan het werken

GOING TO	WILL / SHALL
Zeker weten	Misschien
I            am going to + WW You        are going to + WW She/ He/ It   is going to + WW We / They   are going to + WW	I            will + WW / Shall I + WW You        will + WW She/ He/ It   will + WW We / They   will + WW / Shall we + WW
I            am going to work You        are going to work She/ He/ It   is going to work We / They   are going to work	I            will work Shall I work? You        will work She/ He/ It   will work We / They   will work Shall we work?
Certainly No doubt Sure to happen Definitely Absolutely	I think... Probably Sometime Once Maybe
Ik zal gaan werken	Ik wil gaan werken
