Maken.....

05_Makerspace opdracht

The screenshot shows a 'Create a Project' modal form. The form includes a 'Project Image' section with a 'Bestand kiezen' button and a message 'Geen bestand gekozen'. Below this is the 'Max File Size: 60MB' and 'Accepted formats: .png, .jpg, .jpeg, .webp'. The 'Project Title*' field has a placeholder 'Give your project a descriptive and unique title'. The 'Programme/Department' field has a placeholder 'What study or department does this project belong to (if any)'. The 'Description*' field has a placeholder 'Let us and other people know what this project is all about'. The 'Visibility*' dropdown is set to 'Private'. At the bottom, there is a checkbox for 'I acknowledge that I have read and understand the Terms of Service.'.

Create a Project [Close]

Project Image ?

Bestand kiezen Geen bestand gekozen

Max File Size: 60MB
Accepted formats: .png, .jpg, .jpeg, .webp

Project Title*

Give your project a descriptive and unique title

Programme/Department

What study or department does this project belong to (if any)

Description*

Let us and other people know what this project is all about

Visibility* ?

Private

I acknowledge that I have read and understand the **Terms of Service**.

Wat kun je maken?

05_Makerspace opdracht

Vrije keuze.....

- een gelaserd object
- een 3d print
- of iets anders.....

Hoe?

05_Makerspace opdracht

Wat moet je aanleveren?

- 3d print... een STL file
- lasercutter... een pdf/jpg of dxf

De opdracht

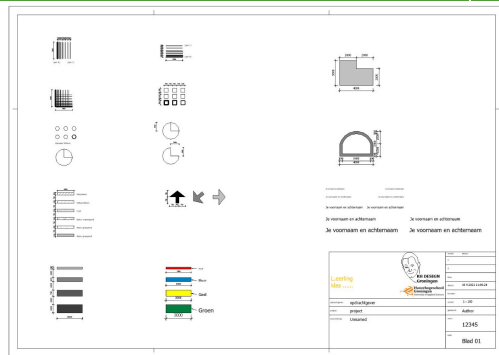

05_Makerspace opdracht

1. Maak een account voor de makerspace (maak hier een screenshot van)
2. Maak een object (volledig vrij, mag van alles zijn)
3. Laat je object en account zien aan je **talentcoach** ter goedkeuring

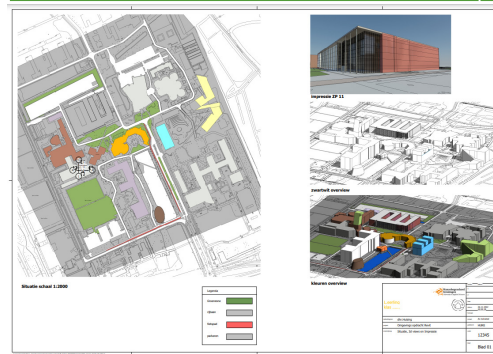

Heb je beide taken volbracht dan is de makerspace opdracht voldaan!
