

Verhaalkaart

The map is drawn on a piece of aged, yellowish-brown paper with a torn, irregular edge. A compass rose is located in the upper center, with 'N' for North, 'O' for Oost (East), 'Z' for Zuid (South), and 'W' for West. A dashed line path starts from the left edge, winds through the map, and ends at a large 'X' in the bottom right corner. The path is divided into sections by dashed lines. Each section contains a question in Dutch and several dotted lines for writing.
