

## A New Country

In small groups, imagine you could create a completely new country made up of the best things from at least five other countries.

What would it be called? \_\_\_\_\_

What would this country be like? Write down your ideas.

Think about:

- the climate \_\_\_\_\_

- the food \_\_\_\_\_

- the culture \_\_\_\_\_

- the people \_\_\_\_\_

- the scenery \_\_\_\_\_

- the standard of living \_\_\_\_\_

- the natural resources \_\_\_\_\_

- the capital \_\_\_\_\_

- the political system \_\_\_\_\_

- anything else? \_\_\_\_\_

Present your new country to the rest of the class.

Example: Our new country would be called ... It would have a climate similar to Italy's climate which is warm and sunny, etc.
