

Woordvolgorde 2

Aa Grammar

Exercise 14

→ Study your **handbook**, E53-E55, about adverbs of manner and frequency. Copy the sentence and place the adverb (between brackets) in the correct position in the sentence.

1 She has renovated her grandmother's bathroom. (beautifully)

2 The Donahues get a visit from their home care worker. (occasionally)

3 Helen French visits her clients in the mornings. (always)

4 It is wise to put loose rugs and mats in elderly people's homes. (never)

5 The Donahues' youngest daughter takes her parents for an outing. (regularly)

6 I see my parents. (rarely)

7 They don't like too much noise. You have to walk. (quietly)

8 It's dangerous to have loose cables lying around the house. (always)

9 I don't mind looking after my elderly father, but I have no time to go and see him today. (usually, unfortunately)

10 She has been in a residential home. (frequently)
