

What if...? Just in case...

- If you feel sick,
- If you are hungry,
- If the alarm goes off,
- If my mom calls
- If your girlfriend doesn't like strong perfumes,
- If the pump doesn't reach the right pressure
- If the lift doors do not open,

go to the doctor.
grab a snack.
leave the building immediately.
don't tell her I'm here!
don't give her Obsession for her birthday.
switch it off and call technical service.
push the alarm button.

Cheat sheet:

An if-sentence with imperative tells you what to do under specific conditions.
